**ADMINISTRATIVE LAW JUDGE'S RULING
ON MOTION TO MAINTAIN CONFIDENTIALITY OF IDENTIFIED
INFORMATION PURSUANT TO ORDERING PARAGRAPH 5
OF DECISION 05-03-006**

By its February 15, 2006 motion, Southern California Edison Company (SCE) seeks to maintain the confidentiality of the information currently protected by Decision (D.) 05-03-006 until the Commission establishes a consistent treatment of similar information among the major energy utilities in Rulemaking (R.) 05-06-040.¹

There is no opposition to this motion. The grant of this motion would not materially change the requirements of D.05-03-006 because the proposed motion merely keeps confidential information sealed until the Commission establishes a consistent treatment of procurement information. However, a comparison of the

confidential information in this proceeding with the information being considered in R.05-06-040 shows that the confidential status of all the information in this proceeding will not be resolved in the rulemaking proceeding.

Therefore, all information placed under seal in this proceeding shall remain sealed for up to an additional year not to exceed March 17, 2007. To the extent a decision is issued in Rulemaking 05-06-040 that affects similar information sealed in this proceeding prior to March 17, 2007, such information shall be treated in conformance with that decision. All remaining sealed information in this proceeding at March 17, 2007 shall become public on that date. Consistent with Ordering Paragraph 5 of D.05-03-006, SCE may file a motion stating the justification for further withholding of the sealed information from public inspection.

Good cause appearing and pursuant to Ordering Paragraph 5 of D.05-03-006 and Resolution ALJ-164, **IT IS RULED** that:

1. The motion of Southern California Edison Company (SCE) to maintain confidentiality of identified information pursuant to Ordering Paragraph 5 of Decision 05-03-006 is granted.
2. To the extent that a decision is issued in Rulemaking 05-06-040 prior to March 17, 2007 that affects similar information sealed in this proceeding, such similar information shall be treated in conformance with that decision. All remaining sealed information in this proceeding on March 17, 2007 shall become public on that date or on further order or ruling of the Commission or the Administrative Law Judge (ALJ) then designated as the Law and Motion Judge.
3. If SCE believes that further protection of sealed information is needed beyond March 17, 2007, it may file a motion stating the justification for further

withholding of the sealed information from public inspection. This motion shall be filed no later than 30 days before March 17, 2007.

Dated March 2, 2006, at San Francisco, California.
